

# Olivier Delafontaine

London, United Kingdom | olivier.delafontaine@btinternet.com | (+44) 7957460694

---

If I were to invest my life in one company, it would be Amazon. Foreseeing where any company ends is a fool's game, however, I can see that Amazon's next possible routes will see them bidding for viewing rights of premier league teams for their video service. Alternatively, I see them directly supplying infrastructure projects. Their potential growth is yet to be seen.

---

## Education and Recognition
